As the County Councillor who spoke on your behalf at the planning meeting I was naturally disappointed with the outcome. I totally support you in your actions from which you will receive my full support.

I hope to be back at your monthly Parish Council meetings in June when my year of Civic Office terminates

Best regards Bill Kellett

Dear Mark,

I don't anticipate there being any applications not for the benefit of West Rainton. Likely only WR groups will know to apply and should be encouraged to by all of us when monies are available.

I hope that is helpful.

Many thanks,  
David
