Come and volunteer for Help To Health.

We have over 40 years experience of delivering volunteer patient transport and it's never been a more exciting time to come and volunteer for us.

We know that your time is precious so we will support you to give as much or as little time as you are able. Some of our volunteers help us a couple of hours a month, others much more.

You'll be working directly with patients, but don't worry if you've never volunteered before as we'll give you all the training you need and cover the costs.
